Dear Parents/Guardians

School Closure – Advice

With regard to the potential closure of Skegness Grammar School as a result of inclement weather, I would like to ensure absolute clarity of communication and hopefully the avoidance of any confusion.

Given the open nature of social media I can confirm that any information regarding closure either full or partial **will not** be shared on social media. Any notifications shared using these platforms will be unofficial.

Listed below are the formal means of notification from the school, you will be made aware by any of the following:

- parents will receive a text where details of the closure will be shared
- a notice on the news page of the school website
- a message to the Parent Portal
- a notification to Show my Homework
- Lincolnshire County Council
- Lincs FM

Any decision to close the school will be based first and foremost on the safety and welfare of the student body. Such decisions are taken with the upmost consideration for health and safety and the minimising of risk. Thank you for your understanding and support in these matters and here's hoping such circumstances arise as infrequently as possible.

Yours faithfully
